If you have not yet taken the opportunity to participate in the SCRIP Program, you may want to consider doing so.

When you purchase SCRIP, you are simply purchasing gift cards. We keep over 30 different cards in stock to purchase at any time. In addition, hundreds more are available to order. The church buys these cards at a small discount, ranging from 1% to 10%. When you purchase, you simply pay the face value of the card. That's it!!

To place an order, complete the lower part of this form and return it with your payment to the parish office or to the SCRIP Sellers at the back of the church after Mass.
