Dear Parishioners,

As we celebrate the beautiful feast of the resurrection of our Lord Jesus, let us remember all that proceeded it. Jesus suffered and died for us so that we could eventually reach eternal life with Him in Heaven. The catch is that we need to live truly good and holy lives. It means that we need to live out our Catholic faith everyday of our lives. When we do these things then we will eventually experience our own personal resurrection. That naturally has to be our main goal in life. I hope and pray that all of us will renew our dedication and commitment to following in the way of Christ and thus be one with Him in His death and in His resurrection. Have a happy and blessed Easter.

Fr. Tom
