### Attention All Who Make On-line Donations through Give Central

We are transitioning from Givecentral.org to Pushpay, for all online donations. You will find this online giving platform an easy, secure way to manage your giving, even from the convenience of a mobile device (more information about that to come). As before, you can make a one time gift, set up a recurring gift, and log into your account to access your giving history.

If you currently use givecentral.org, we ask that you go to your account and stop these donations. Then, just scan the QR code here and you will be directed to begin setting up your donations in the new platform, Pushpay.

If you haven't made donations online in the past, please consider trying it out. Just scan the code and you will be on your way.

**(Please Note:** When setting up an account in Pushpay, you will be asked if you would like to assist in covering the bank fee charged to the church (2.2%) to make the online donation. This is completely optional.)
