### Dear Parishioners,

I would like to extend to all of you a very happy and blessed Easter. Over the last 40 days of Lent we have been preparing for this holy day. Now that it is here I hope that all of us can see the benefits that we have received from our prayers, alms giving, and fasting. Lent is a time that helps us to see the sufferings that Christ Jesus went through for each and everyone of us. Easter is the time that we can see the promise of eternal salvation that He obtained for us. Each season is a time of blessing. Each season calls us to a deeper relationship with Jesus and our Catholic faith. Let us not blind ourselves to this vital commitment to live out our faith and relationship with Christ Jesus, our Lord and Savior, by thinking that it is something that we can do only seasonally. It is a daily commitment and way of life. May the Good Lord Jesus, bless all of us here at Our Lady Queen of Peace, and help us to grow as a parish family throughout this Easter season and throughout the entire Year of Grace.

**Fr. Tom**
