MISSION & EDUCATIONAL PHILOSOPHY

Mission Statement

DIOCESE OF SPRINGFIELD IN ILLINOIS

Loved and chosen by God, we are the Diocese of Springfield in Illinois. Through Baptism, we share responsibility for continuing the mission of Jesus. We are called to be a community whose members enable and support the gifts given to each by the Spirit. We are sent to make Christ visible in our world through worship, proclamation of the Word, and service to God's people.

OUR LADY QUEEN OF PEACE PARISH

The members of Our Lady Queen of Peace Parish family are devoted to promoting Christian sharing of time, talent, and treasure of our parish family and community. It is our desire to provide a safe and beautiful place to worship our God, which benefits not only our parish family but also the entire community. We provide for the seasonal Church environment and assist our Pastor in the rites, ceremonial forms, and prayers of our parish. Our parish and school together maintain a quality education for all students, with a strong spiritual foundation, sensitive to everyone's needs and fostering unity by encouraging all to participate in our growth as children of God.

OUR LADY QUEEN OF PEACE SCHOOL

Our Lady Queen of Peace School is an integral part of Our Lady Queen of Peace Catholic Church. It is our primary mission to prepare our students spiritually, intellectually, socially, and physically so they can become religious, responsible, and productive adults. We do this by providing a Christ-centered Catholic education, with a focus on academic excellence.

Philosophy, Objectives, and Purpose of Program

The Philosophy of Our Lady Queen of Peace School flows from the educational ministry of Our Lady Queen of Peace Church. All of us recognize that each child is unique and has the right to reach his or her potential as a knowledgeable person and a responsible adult. Our task is to prepare our students so they will proclaim and live the message of the Gospel to others, and to plant the seed of Christian fellowship which will grow into service to the community. The staff will provide spiritual growth through participation in Liturgy, example, and worship of God, as well as providing an effective and excellent academic situation.

Our Lady Queen of Peace Catholic School is committed to building a culture founded on Gospel values. Catholic teachings will be imparted to all students and all students are expected to enhance the school's Catholic mission. To this end, parents, students, faculty, staff, and visitors are all called to ensure that all members of the community are consistently treated with dignity and respect as made in the image and likeness of God.

ADMISSION & ATTENDANCE POLICIES

Non-discrimination Policy

Our Lady Queen of Peace Catholic School admits students of any race, color, sex, or national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, sex, or national and ethnic origin in the administration of its educational policies, admissions policies, scholarships, loan programs, athletics, or school administered programs. Our schools do reserve all their rights as religious entities in accord with the teachings of the Catholic Church, the protections of the First Amendment of the U.S. Constitution, and the Illinois Religious Freedom Restoration Act 775 ILCS 35/.

The pastor and school administration will ensure that these policies are followed. Concerns will be addressed through the Grievance Procedure listed in the Discipline and Conduct section of this handbook.

ADMISSION

Our Lady Queen of Peace is a Parish elementary school. Parishioners are those persons registered in the Parish, who faithfully participate in the Sacramental life of the Church and who assume responsibility for the ongoing support of the Parish through stewardship of time, talent, and treasure.

The Parish School serves the Parish families who have children of elementary school age as classroom size permits. This doesn't preclude; however, a recommendation by the principal or pastor that a special needs student enroll elsewhere. Non-parishioners who qualify for a regular academic program are welcome to apply for admission in the school. Before an agreement is reached, the principal reserves the right to review previous school records, interview the parents and child, and arrange for a screening with a teacher in the school to determine the placement of the child. The principal then recommends admission to the pastor. Conditional admission may be recommended, if appropriate.

Furthermore, we do not discriminate against immigrant children lacking in legal status, as required by Plyler v. Doe. The purpose of Catholic education is to give a well-rounded spiritual and academic education to Catholic children. Since the purpose of the parish school is to extend and deepen the life of faith and provide quality education, preferential admission is given to baptized Catholic children living with parents or guardians within the boundaries of Our Lady Queen of Peace Parish. However, consideration for admission may be given to children of non-parishioners, non-Catholics, or parishioners living outside of parish boundaries at the discretion of the pastor. Rejection of the Catholic faith and its tenets shall be a reason to deny admittance to programs and activities.

Age Requirements

To enter three-year-old Preschool, children must be three years old by September 1st. To enter four-year-old Preschool, children must be four years old by September 1st. A child entering kindergarten must be five years of age on or before September 1 of that school year and complete a readiness test. Students entering first grade must be six years old on or before September 1 of the school year.

Baptism Certificate/Sacramental Records

Baptism, First Eucharist, and Confirmation information is entered on each child's permanent record. Catholic students, unless baptized at Our Lady Queen of Peace Catholic School must present a Certificate of Baptism.

Birth Certificate

A certified copy of each student's birth certificate must be submitted to the school office within 30 days of student enrollment.

Physical Exams

Illinois state law requires a physical examination for each student upon entering kindergarten and sixth grade or into any grade if the student has not previously been examined as required by the State Code of Illinois.

PRIORITY OF ADMISSION

ORDINARILY, NON-PARISHIONERS ARE ADMITTED FOLLOWING THE REGISTRATION OF PARISHIONERS IN THE SPRING. PRIORITIES ARE USED TO ACCEPT STUDENTS TO OUR LADY QUEEN OF PEACE SCHOOL (November, 2004).

Guidelines for priority of admission: Preschool:

1. Parishioners with siblings in the school
2. Non-parishioners with siblings in the school
3. Parishioners
4. Catholic Non-parishioners
5. Families of other Faiths

Guidelines for priority of admission: Kindergarten-Eighth Grade:

1. Students enrolled the previous year
2. Parishioners with siblings in the school
3. Non-parishioners with siblings in the school
4. Parishioners
5. Transfer students from other Catholic Schools who are Parishioners of other Parishes
6. Transfer students from other Catholic Schools who are not Catholic
7. Transfer students from public or private schools who are not Catholic

DISABILITY ISSUES

Students who are eligible for speech services may receive such services once a week at OLQP by a speech professional from the Bethalto Public School District. In addition, students who are eligible for other special services identified through the public school district may be offered a modified program at OLQP; however, this is dependent on the degree of the disability. Discussion of whether our school is the best situation for the student will occur after such testing.

Our Lady Queen of Peace assists parents in placing children where their needs are best served. The school does not have the personnel to handle certain students with special needs. At times this means that the students will be asked to seek placement in a school other than Our Lady Queen of Peace. Ordinarily the decision follows educational testing requested by the parents or teacher. For Our Lady Queen of Peace to keep a child who cannot be served adequately would be a serious disservice to that child.

Transfer Students

Students who transfer to Our Lady Queen of Peace Catholic School should have their academic and health records forwarded from their previous schools. Transfer students may also be required to take an entrance exam. Conditional admission may be recommended, if appropriate.

Gender Identity

Students and their parents are expected to live virtuous lives guided by Gospel values and the teaching of the Church as described in the Family School Agreement (BK3:404.1). Students shall conduct themselves in accord with their biological sex at all times.

Attendance

Illinois law requires that whoever has custody or control of any child between six (by September 1st) and seventeen years of age shall assure that the child attends school during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

Daily attendance is required since consistent attendance plays an important role in the scholastic success of any child. When a student is absent from school, a parent should contact the school office by 9:00 a.m. each day of the absence. If the office does not receive notification, a parent will be contacted. This policy is for the protection of the students of Our Lady Queen of Peace School. Students who arrive at school before 10:30 AM are considered full-day, but tardy. Arrival after 10:30 is considered a half day.

IF A STUDENT HAS BEEN OUT OF SCHOOL FOR FIVE CONSECUTIVE DAYS OR HAS BEEN CHRONICALLY ABSENT, THE SCHOOL MAY REQUEST A STATEMENT FROM THE CHILD'S PHYSICIAN INDICATING THE REASON FOR THE ABSENCE, AND THAT THE CHILD IS ABLE TO RETURN TO SCHOOL. (June, 2004)

Each student will be allowed 10 excused absences per school year on a parental excuse. These would include:

- Student illness, including mental or behavioral health
- Death in the immediate family or family emergency
- Situations beyond the control of the student
- Observation of a religious holiday
- Other circumstances that cause reasonable concern to parents for the health and safety of the student.

Any absence after the 10 allotted excused absences will be considered unexcused unless a medical statement by a physician is submitted upon the student's return. Any student who has used the allotted 10 absences will be considered unexcused without a doctor's note and, therefore, truant for each day.

- When a student reaches this point, a meeting will first be convened with parent(s) and administration to determine/understand the reason for excessive absences. Students may or may not be included in the meeting as deemed appropriate.
- The administrative team and/or parents may choose to include others to participate in the meeting to best ensure a successful plan to remediate the current course as it relates to attendance (school nurse, social worker, guidance counselor, teacher(s), coach, pastor, etc.)

At this time, students and their families will be made aware of the resources available to them to ensure

timely and consistent school attendance as part of the process to remediate the issue:

- Conferences with administration and teachers (weekly, as needed)
 - Counseling for students and/or daily check-in/check-out services
 - Awareness of options for family counseling
 - Awareness of options for family and/or student support within the community
- The administrative team will meet monthly to review attendance reports generated from our Facts system, specifically noting the reports of those students who are chronically absent, checking for progress and/or regression from the remediation process.

Should absence for any reason other than illness seem imperative, parents are requested to consult with the principal and teacher and present a written reason for the absence. The school calendar provides for extended weekends throughout the school year. **Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the students' responsibility.** In the case of a prearranged absence, assignments must be collected by the student on his/her own time before leaving. Upon returning, all assignments must be finished.

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

For short absences, students should make arrangements with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school

Student Absences

There are two types of absences: excused and unexcused. Excused absences include: illness (including up to 5 days per school year for mental or behavioral health of the student), observance of a religious holiday or event, death in the immediate family, family emergency, situations beyond the control of the student as determined by the school administration, circumstances that cause reasonable concern to the parent or guardian for the student's mental, emotional, or physical health or safety, attending a military honors funeral to sound TAPS (gr 6-12 only), or other reason as approved by the building principal.

Additionally, a student will be excused for up to 5 days in cases where the student's parent or guardian is an active-duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The school administration, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent or guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.

All other absences are considered unexcused. Pre-arranged excused absences must be approved by the building principal. The school may require documentation explaining the reason for the student's absence and will presume that an absence is unexcused unless families present the school office with documentation indicating otherwise.

APPOINTMENTS

Students needing medical, dental, or other appointments during school hours require prior notice by the parent. If the child returns to school during the same school day, he/she must be signed back into school in the office. Students who are away from school for an appointment for 3 ½ hours or more will be counted as absent for ½ day. Three early withdrawals each of which is less than 3 ½ hours is considered a one-half day absence.

A student is considered absent from school during the time away for an appointment. It is the responsibility of the student to complete all work missed, including tests and/or quizzes.

Make-Up Work

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work. . Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent two days would be given two school days to complete the missed work.

Diagnostic Procedures for Identifying Student Absences and Support Services to Truant or Chronically Truant Students

State law requires every school to collect and review its chronic absence data and determine what systems of support and resources are needed to engage chronically absent students and their families to encourage the habit of daily attendance and promote success. This review must include an analysis of chronic absence data from each attendance center.

Furthermore, State law provides that schools are encouraged to provide a system of support to students who are at risk of reaching or exceeding chronic absence levels with strategies. Schools should also make resources available to families such as those provided through the State Board of Education's Family Engagement Framework to support and engage students and their families. These resources are meant to foster heightened school engagement and improved daily school attendance.

"Chronic absence" means absences that total 10% or more of school days of the most recent academic school year, including absences with and without valid cause, and out-of-school suspensions. The school uses the following diagnostic procedures for identifying the causes of unexcused student absences: interviews with the student, his or her parent or guardian, and any school officials who may have information about the reasons for the student's attendance problems.

Supportive services to truant or chronically truant students include parent conferences, student counseling, family counseling, and information about existing community services.

Truancy

Student attendance is critical to the learning process. Truancy is therefore a crucial issue and will be dealt with in a serious manner by the school. Students who miss more than 1% but less than 5% of the prior 180 regular school days without valid cause (a recognized excuse) are truant. Students who miss 5% or more of the prior 180 regular school days without valid cause are chronic truants (This equates to 9 or more days of unexcused

absences). Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A student who misses 15 consecutive days of school without valid cause and who cannot be located or, after exhausting all available support services, cannot be compelled to return to school is subject to expulsion from school. A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

ACADEMICS & RECORDS

Books/Chromebooks

Students are responsible for the care of their textbooks, school library books, and chromebooks. A fee will be charged for books and chromebooks that are lost or damaged. Books and chromebooks should be brought to and from school in a book bag. It is required that textbooks be covered to prevent damage.

Catholic Instruction

Our Lady Queen of Peace Catholic School is deeply committed to helping students see and understand the ways in which faith and reason complement and reinforce one another in the life of the virtuous man or woman. This motivation animates our rigorous academic curriculum and is at the heart of our earnest efforts to shape the character and cultivate the spiritual life of our students. For this reason, Our Lady Queen of Peace Catholic School provides regular activities and lessons focused on worship and praise of God, spiritual reflection, catechesis, and service to the wider parish and regional community. The aim of these endeavors is to encourage every student to become his or her noblest and best self.

Each Catholic school in the diocese must provide daily instruction in the Catholic faith for every student. Liturgical celebrations (especially Mass and Reconciliation), in accord with approved liturgical norms, and service opportunities shall be an integral part of the catechetical program, and all students shall participate as appropriate.

CURRICULUM

Religion: As a Catholic School, the task of Our Lady Queen of Peace School is to help children develop a personal relationship with God as well as a faith commitment in their daily lives, to pass on to our children the basic tenets of the faith, and to engender habits of active participation in the Mass and the Sacraments, daily prayers, and spiritual growth. (June, 2004)

Catholic doctrine and tradition, Bible study, Social Justice, preparation for the reception of the Sacraments of Reconciliation, Eucharist, and Confirmation will be taught at the appropriate grade levels.

Students in grades 5 and 8 take the ACRE (Assessment of Catechesis of Religious Education) test in February.

In addition to weekend worship with their families, all OLQP students participate in the Liturgy each Friday at an all-school Mass, and on alternating Tuesdays for individual class Masses. The children take an active part as lectors, singers, and gift bearers. Students of other faith traditions who attend OLQP attend the Liturgy with the Catholic students. They are expected to respect Catholic religious practice, just as our Catholic students are expected to be tolerant of and respect other faiths.

During Advent the students attend an Advent prayer service every week. All students are expected to participate in this prayer service. During Lent the students attend the Stations of the Cross. Throughout the year, we have various prayer services. All OLQP students attend these and participate enthusiastically.

On a Friday Mass in May we have an all-school May Crowning in honor of Our Lady Queen of Peace, our Mother Mary. This is just one of the many traditions carried down from year to year at OLQP School.

Computer : Word Processing, Data Base, Spreadsheets, literacy in computer terms, keyboarding, PowerPoint, the use of technical tools, and integration with curricular subjects are all taught throughout the various grade levels at Our Lady Queen of Peace School.

Language Arts: Reading, English, Spelling, Vocabulary, Composition, Library Skills, and Appreciation of Literature are taught in grades K-8.

Mathematics: Mathematics Skills, Pre-Algebra, and Algebra 1.

Music: Our Music Program is taught in grades PK-8. Students have Music twice every week. It focuses at the different grade levels on music literacy, appreciation of music, the interrelationship between music and history, different instruments, church music, music as an expression of many cultures, and working together in order to perform at different events throughout the year.

Physical Education: The students have Physical Education class twice a week with a qualified PE teacher. We stress physical fitness programs which are appropriate for each individual grade level.

Science: General Science and Laboratory Experiences are covered in grades K-6. Earth Science is taught in the 7th grade. Life Science makes up the 8th grade curriculum.

Social Studies: History, Geography, Illinois State History, Current Events, and Community Living skills are taught throughout grades K-8. In 7th grade the students must pass the US Constitution, in the 8th grade they must pass the Illinois Constitution.

Field Trips

The school administration shall authorize only those field trips that are appropriate educational or catechetical experiences. Field trips are a privilege for students, not a right. Students must abide by all school policies during transportation and participation in all field trip activities and shall treat all field trip locations as though they are school grounds. Failure to abide by school rules and/or location rules during a field trip may subject the student to discipline. Furthermore, children, adolescents, and accompanying adults attending field trips or

other parish sponsored trips shall be informed that participation in such events requires that they adhere to a code of behavior. This code of behavior, which applies to both minors and accompanying adults attending said functions, is as follows:

1. Each person will respect his or her individual dignity, self-worth, and value in God's eyes.
2. Each person will respect the dignity, self-worth, and value in God's eyes of other persons.
3. Each person will respect the physical property and possessions of other persons and institutions.
4. Each person has a duty to report violations of the conduct code.

All students who wish to attend a field trip must receive written permission from a parent or guardian with authority to give permission. (A sample of this permission slip is found on pg. 60 of this handbook). Students may be prohibited from attending field trips for any of the following reasons:

- Failure to receive appropriate permission from parent or guardian or teacher;
- Failure to complete appropriate coursework;
- Behavioral or safety concerns;
- Denial of permission from administration;
- Other reasons as determined by the school.

On field trips there shall be an adequate number of adult chaperones (age 21 or older) for students, and all chaperones must abide by the Policy on Working with Minors for the Diocese of Springfield in Illinois. An acceptable ratio of chaperones is 1 adult (age 21 or older) for every 8 students, but the number of chaperones depends on the age of the children and the nature of the event.

Grading, Promotion, and Retention

School report cards are issued to students on a quarterly basis. For questions regarding grades, please contact the classroom teacher.

GRADING-KINDERGARTEN

The Kindergarten report card lists all of the skills that are covered during the year. The grading system, based on the students' knowledge and mastery of the skills listed, consists of checks which indicate a need for improvement. A plus means the child has sufficiently learned that particular skill.

GRADING-FIRST THROUGH EIGHTH GRADE

Students receive an A-F grade for academic performance. Our Lady Queen of Peace Catholic School has a challenging grading scale. This should be considered when reviewing your child's letter grade:

93-100 - A

85-92 - B

77-84 - C

70-76 - D

69-below F

The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests, and other assessments. A student will not be promoted based upon age or any other social reason not related to academic performance. . The administration may recommend the repetition of a grade or tutoring as a requirement for promotion. The school makes the final decision

regarding retention. Should the school recommend a second year in a grade for a child, but the parent insists that the child should proceed to the next grade, the teacher will indicate a 'transfer' rather than a promotion to the next grade. A student who is transferred to the next grade will not be allowed to continue as a student at Our Lady Queen of Peace School. If this should occur following the eighth grade year, a certificate of attendance will be issued in place of a diploma.

REPORT CARDS AND PROGRESS REPORTS

Progress reports, also referred to as Midterms, are emailed to all parents of students in grades K-8 during the middle of each quarter. We ask that parents reply to this email saying they have received and reviewed the mid-term report. **These serve as an indicator of the progress each student is making midway through each quarter.**

Report cards are issued via email four times a year at the end of each quarter for students in grades K-8.

We ask that parents reply to this email saying they have received and reviewed the report card.

TESTING

Students will not be permitted to retake a quiz or a test in order to improve their academic standing.

Graduation Requirements

In May of our students' eighth grade year, we hold our graduation ceremony. Students who have completed their eighth grade year and have met all the requirements of Our Lady Queen of Peace School receive a diploma at their graduation ceremony.

Homework

Homework is used as a way for students to practice what they have learned in the classroom. The time requirements and the frequency of homework will vary depending on a student's teacher, ability, and grade level. Students who are absent from school for a valid cause (an excused absence) may make up missed homework in a reasonable timeframe (please see Absences policy) **A reasonable amount of homework is provided for students at each grade level on weekdays (November, 2004).** Assignments are designed to reinforce daily lessons, to supplement and enrich class work, to promote good study skills, and to prepare for certain lessons through various experiences. Homework, as a general rule, is not given on weekends or over holiday breaks. Long range assignments, extending over weekends or holidays, may be given. Careful planning eliminates the need for using these family times for this school work. Incomplete assignments are always made up. Teachers assess a penalty for each day an assignment is late. The student's name is always put down when he/she doesn't have an assignment the first day. If an assignment is later than one day, checks are given which result in a detention.

Student Records

A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member's sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings (including electronic recordings made on school busses) that are created in part for law enforcement, security, or safety reasons or purposes, though such electronic recordings may become a student record if the content is used for disciplinary purposes regarding a particular student.

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parents or guardians and students over 18 years of age (“eligible students”) certain rights with respect to the student’s school records. They are:

1.The right to inspect and copy the student’s education records within 10 business days of the day the school receives a request for access.

The degree of access a student has to his or her records depends on the student’s age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. A parent or guardian or student should submit to the building principal a written request that identifies the record(s) he or she wishes to inspect. Within 10 business days, the building principal will make arrangements for access and notify the parent or guardian or student of the time and place where the records may be inspected. In certain circumstances, the school may request an additional 5 business days in which to grant access. The school charges \$.35 per page for copying, but no one will be denied their right to copies of their records for inability to pay this cost.

These rights are denied to any person against whom an order of protection has been entered concerning the student.

2. The right to request the amendment of the student’s education records that the parent or guardian or eligible student believes are inaccurate, irrelevant, or improper.

A parent or guardian or eligible student may ask the school to amend a record that is believed to be inaccurate, irrelevant, or improper. Requests should be sent to the building principal and should clearly identify the record the parent or guardian or eligible student wants changed and the specific reason a change is being sought.

If the school decides not to amend the record, the school will notify the parent or guardian or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or guardian or eligible student when notified of the right to a hearing.

3.The right to permit disclosure of personally identifiable information contained in the student’s education records, except to the extent that the FERPA or Illinois School Student Records Act authorizes disclosure without consent.

Disclosure without consent is permitted to school officials with legitimate educational or administrative interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); or a person serving on the School Board. A school official may also include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of personally identifiable information from education records (such as an attorney, auditor, medical consultant, therapist, or educational technology vendor); or any parent or guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility or contractual obligation with the district.

Upon request, the school discloses education records without consent to officials of another school in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or Federal law. Before information is released to these individuals, the parents or guardians or eligible student will receive

prior written notice of the nature and substance of the information, and have an opportunity to inspect, copy, and challenge such records.

Academic grades and references to expulsions or out-of-school suspensions cannot be challenged at the time a student's records are being forwarded to another school to which the student is transferring.

Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent or guardian can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; and juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student.

4. The right to a copy of any school student record proposed to be destroyed or deleted.

The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. The temporary record is maintained for at least 5 years after the student transfers, graduates, or permanently withdraws. Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after 5 years, be transferred to the parent or guardian or to the student if the student has succeeded to the rights of the parent or guardian. Student temporary records are reviewed every 4 years or upon a student's change in attendance centers, whichever occurs first.

5. The right to prohibit the release of directory information.

Throughout the school year, the school may release directory information regarding students, limited to:

- Name
- Address
- Grade level
- Birth date and place
- Parent or guardian names, addresses, electronic mail addresses, and telephone numbers
- Photographs, videos, or digital images used for informational or news-related purposes (whether by a media outlet or by the school) of a student participating in school or school-sponsored activities, organizations, and athletics that have appeared in school publications, such as yearbooks, newspapers, or sports or fine arts programs
- Academic awards, degrees, and honors
- Information in relation to school-sponsored activities, organizations, and athletics
- Major field of study
- Period of attendance in school

Any parent or guardian or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the building principal within 30 days of the date of this notice.

6. The right contained in this statement: No person may condition the granting or withholding of any right, privilege or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

7. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Flagging Records of Missing Children

The school checks the missing person report in the Nonpublic Registration and Recognition Renewal report prior to releasing student records. Upon notification from a law enforcement agency that a present or past student is missing, his or her records will be flagged with a written notice of the information. That flag will remain until the law enforcement agency has contacted the school that the missing child has been recovered. If a request for the student's records is made before the flag has been removed, the school will immediately notify the law enforcement agency and will hold the records until their release has been approved by the law enforcement authority. For written requests, the school will provide the law enforcement agency with a copy of the request. If the request is made in person, the school will ask for identification from the person making the request, including contact information and a copy of a driver's license, as well as the birth date of the child and their relationship. He or she will then be informed that a copy of the records will be mailed. The school will provide the law enforcement agency with the obtained information as well as a description of any individual making the request in person.

Non-Custodial Parents

The school respects the right of non-custodial parents to be involved in the education of their children. In the absence of a court order and with due provision to State law, what is said in these policies applies to any parent or legal guardian, whether or not the student lives with the parent. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

Transfer of Records

Certified copies of transfer students' records are requested within 14 days of enrollment. When a student transfers to another school or graduates, a duplicate copy of the student's cumulative permanent file will be sent within ten days to the receiving school upon request.

Standardized Testing

Students and parents or guardians should be aware that the school requires students to take certain standardized tests, including the following: MAP testing in grades 3, 4, 5, 6, 7, 8. These tests are taken in the fall, winter and spring each year. The ACRE test is given to grades 5 and 8 in February.

Parents or guardians are encouraged to cooperate in preparing students for the standardized testing because the quality of the education the school can provide is partially demonstrated through the school's ability to prove its success through standardized tests. Parents or guardians can assist their students to achieve their best performance by doing the following:

1. Encourage students to work hard and study throughout the year;
2. Ensure students get a good night's sleep during the night before exams;
3. Ensure students eat well the morning of the exam, particularly ensuring they eat sufficient protein;
4. Remind students and emphasize the importance of good performance on standardized testing;
5. Ensure students are on time and prepared for tests, with appropriate materials;

6. Teach students the importance of honesty and ethics during the performance of these and other tests;
7. Encourage students to relax on testing day.

Students with Disabilities

Our Lady Queen of Peace assists parents in placing children where their needs are best served. The school does not have the personnel to handle certain students with special needs. At times this means that the students will be asked to seek placement in a school other than Our Lady Queen of Peace. Ordinarily the decision follows educational testing requested by the parents or teacher. For Our Lady Queen of Peace to keep a child who cannot be served adequately would be a serious disservice to that child.

Student Service Requirements

The importance of Service to others is taught, emphasized, and modeled at every grade level throughout the school. Students at all levels engage in various service projects throughout the year. Students in grades 4-8th are required to complete yearly service hours. Students in 4th & 5th grade are required to accumulate 10 hours yearly. Students in grades 6-8th are required to complete 15 service hours yearly. Hours can begin to be earned starting May 1st of each school year and need to be completed by April 30th of the next school year. Once logs are completed they can be returned to the school office.

BUILDING OPERATIONS

Animals on School Property

In order to assure student health and safety, animals are not allowed on school property. This rule may be temporarily waived by the building principal in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

Arrival Procedures, Dismissal, and Parking Instructions

PARKING LOT INSTRUCTIONS

Pull into the parking lot from Butcher Street and proceed toward the gate or the Enrichment Center (Gym) door to drop off or pick up your child. If you need to come into the building for any reason, please park by the fence so we do not block the flow of traffic by the building.

ARRIVAL

The doors open for the children to come into school at 8:15. Students arriving before this time are sent to the Caring Hands Before and After School Program in the gymnasium. A fee is charged for the use of this program, and the parents are responsible for payment. Once in the school at 8:15, the students go to their classrooms to prepare for the day. Students may not remain outside after being dropped off at school.

DISMISSAL

Students must leave the school/parish grounds when school is dismissed at 3:00. Full day PK students are dismissed at 2:45. Kindergarten students are dismissed at 2:50, as are the 7/8th graders who serve as their 'buddies' and walk them to their cars. It is the responsibility of the parent to provide transportation for the

child when school is dismissed. Children who are still waiting after 3:10, will be sent to the Caring Hands After School Program. Parents will pay the fee for the use of the program.

****When a child forgets something at school:** Students are not allowed in the building or classrooms after 3:15 to get books or supplies if forgotten. If students know they cannot return to the building, they quickly learn to check their things before leaving school. Please do not put staff members in awkward situations by requesting their assistance in getting into the building or another person's classroom. This includes staff members of the after school program.

CARING HANDS BEFORE AND AFTER SCHOOL PROGRAM

Our Lady Queen of Peace has a program to assist parents with supervision before and after school. The before school program begins at 7:00 AM. Students who arrive anytime between 7:00-8:15 are to immediately report to the director in the gymnasium. Parents are responsible for payment.

The after school program begins at 2:50 for Preschoolers and goes until 6:00 PM. Students who are on the school grounds after 3:10 immediately report to the director in the gymnasium. A snack is served at 4:00 PM. The director is not responsible for students getting their homework finished; however, if a student wants to do this, there are tables set up for him/her to work. Parents are responsible for payment.

Asbestos Abatement Plan

Our Lady Queen of Peace Catholic School has an Asbestos Management Plan, which is on file in the school office and is available during normal business hours in accordance with federal regulations. Asbestos is present in the school but contained, according to regulations.

Building and Grounds Access Policy

Purpose of the Policy

The church, school building, and rectory along with associated grounds are an integral portion of the many facets of the parish community. The purpose of this Building and Grounds Access Policy is to establish appropriate measures and guidelines to maintain the security and safety of the children attending Our Lady Queen of Peace Catholic School while respecting the use of the church by parishioners and visitors. The multi-use nature of parish facilities and grounds necessitates a continuing effort by the parish, school administration, faculty members, parents, and parishioners to provide appropriate access for the various facilities while protecting the school children during the school year. All use of facilities will follow the diocesan policy book 5§800 *Diocesan, Parish, School, and Agency Facilities Use*.

USE OF SCHOOL/PARISH GROUNDS

When any parish facility must be used for outside activities such as scouts, sport meetings, etc... the room must be left in good order. Any trash accumulated must be placed in the dumpster. The gymnasium is scheduled through the parish and school offices. Anyone wishing to reserve the gym for a school-related activity is asked to contact the office for scheduling. Activities not connected with school must be cleared with the Pastor before the activity will be scheduled.

Our Lady Queen of Peace students are not permitted on the parish grounds at any time without adult supervision. Our Lady Queen of Peace faculty/staff personnel will not be held liable in the case of accident or injury when a child is unsupervised.

Access to and Security of the School Building

On all school days provided by the academic calendar, the Our Lady Queen of Peace Catholic School building shall be available for authorized access by parents and authorized visitors from 8:15 until 3:15. All parents and visitors to the school building must report to the school office for access during this period. Any parent or visitor to the school building shall obtain a badge, which shall be worn while in the school building and shall be returned to the school office upon leaving the school. Entry to the school building shall be through the front door of the school in the circle drive.

Access to School Classrooms during Instructional Periods

No parents or visitors shall be permitted in classrooms during instructional periods except as provided in this paragraph. Parents wishing to observe classroom instruction shall arrange a mutually convenient time and date with the classroom teacher. After such arrangements, the parents shall advise the school office of the arrangements for observation. The principal may make such additional rules and policies regarding parental observation as he or she deems necessary to maintain the normal educational process.

Parents and authorized caregivers may be allowed access to classrooms for the purpose of picking up an ill child or one leaving school at other than the normal dismissal time. In all such cases, the adults picking up the child will report first to the school office.

Parishioners on School Grounds during School Hours

Parishioners who are not parents of currently enrolled school children are requested to avoid the school building and playground area during, before, and after school, during lunch hours, and during recess periods. The entrances to the rectory and church are available during these periods for access to those facilities. Parking for both the rectory and Church is available in the parking lot between the church and the rectory.

Removal of Unauthorized Persons from School Grounds and Building

Faculty and staff members of the school are authorized to request any person who is not a parent or authorized visitor to the school facilities to leave the premises. In the event that any person fails to comply with such a request, the faculty or staff member shall inform the principal who shall determine what additional action is necessary or appropriate to obtain compliance with the request. Any person who fails to comply with a request of the principal or the pastor to leave the school premises shall be considered a trespasser and may be subject to arrest.

School Visitation Rights

The School Visitation Rights Act permits employed parents or guardians, who are unable to meet with educators because of a work conflict, the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences, academic meetings, and behavioral meetings. Letters verifying participation in this program are available from the school office upon request.

Emergency School Closings

When weather conditions necessitate the closing of school, the decision is made as early in the morning as possible. Our Lady Queen of Peace School follows the decision of the Bethalto Public Schools regarding school closings only when adverse road conditions are involved. You will be notified of closings through our FACTS notification program. You may also see closures on TV channel 2. We make every effort not to close school early. Parents may come for their children if they have serious concerns that conditions near their homes might prevent them from coming back at dismissal. Needless to say, someone on the staff remains with the children until everyone has gone home.

Invitations and Gifts

Party invitations or gifts for classmates should not be brought to school to be distributed. Items such as these are of a personal nature and should be mailed home using the list in the school directory. The office is unable to release addresses and phone numbers of students who are not listed in the school directory.

Treats and Snacks

Due to health concerns and scheduling, treats and snacks for any occasion must be arranged in advance with the classroom teacher. All treats and snacks must be store bought and prepackaged in individual servings. No homemade treats or snacks are allowed at school. Acceptable treats and snacks do not require refrigeration and have a clearly printed list of ingredients on the packaging. We strongly encourage you to select a treat or snack with good nutritional value.

Unauthorized Items

Common sense and consideration are the best guides in determining whether or not to bring personal possessions to school. In general, students are not to bring toys or unusual items to school unless they are intended for specific use in the classroom and the teacher's permission has been obtained. Hand-held video games, portable stereos, laser pointers, pagers, etc. are not permitted at school (please see Building Conduct and Student Use of Cell Phones and Other Electronic Devices).

DISCIPLINE & CONDUCT

Parents, students, faculty, and staff make up the school community and are always representatives of Our Lady Queen of Peace Catholic School. The school takes very seriously its responsibility to ensure a safe, Christian environment for all parents, students, staff, faculty, and campus guests. As such, parents, students, faculty, and staff are called to always exemplify The Golden Rule and to actively advance the mission and philosophy of the school by displaying behaviors that foster pride, courtesy, and respect for the dignity of all as we strive to educate students in a Catholic environment. This Christian behavior and respect shall characterize all verbal and non-verbal communications at all levels within the school community.

Enrollment at Our Lady Queen of Peace Catholic School is not a right, but a privilege that is extended to families who have pledged to be and who are working as cooperative partners with the school, especially in the key areas of academics and discipline. Parental failure to consistently cooperate with and treat school personnel with courtesy and respect may result in the reconsideration of a student's enrollment status. We acknowledge that we are not the school for all families; we reserve and exercise the right to ask families to leave, if circumstances warrant, according to our understanding of these policies and expectations as outlined in this Handbook.

Building Conduct

The following actions and attitudes should characterize everyone studying at Our Lady Queen of Peace Catholic School, and failure to abide by the expectations may result in discipline:

- Students arrive at school in the appropriate full and clean uniform. A student's personal presentation should reflect respect for others as well as respect for himself or herself.

- Students should be at their desks with all books and materials ready to learn. Students are not permitted to leave the room during class without permission.
- When the student has a question to bring to the class, he or she should raise his or her hand and wait until the teacher gives permission to speak.
- Students should keep classrooms and personal belongings orderly and clean. At the end of each class, the student is responsible for keeping the area around his or her desk tidy.
- Students are expected to act appropriately during class changes, both in the school buildings and across campus. Student conduct in the corridors will be appropriate and quiet. Students must walk—not run—to and from class.
- All students are expected to greet priests, school staff, parents, visitors, and fellow students politely and courteously.
- At lunch or at recreational periods, each student is expected to act in a controlled and respectful manner while using the areas designated by school staff. Students are expected to keep the grounds neat and litter free.
- Each student should respect others and their property as the student would want to be respected.
- Personal belongings should be kept in good form. Uniform items, books, binders, folders, jackets, and backpacks must be free of any inappropriate writing or decoration.
- Standard cafeteria norms are to be practiced at all times according to the directives given by school staff. Good table manners, proper dining etiquette, orderly and quiet cafeteria lines, cleaning up after oneself, and leaving the dining room clean make for a pleasant dining experience for all.
- When participating in school activities like playing on a team, participating in an academic competition, or performing in a choral activity, students should be considerate of others and always participate to the best of their ability. Every student is to practice good sportsmanship, encourage others, and refrain from complaining, criticizing, or being disrespectful in any way.
- Food and beverages are to be consumed only in the cafeteria unless directed otherwise by the teacher (younger students typically have snack time in class). The only exception permitted to this policy is that students may, to ensure adequate hydration during the day, bring a water bottle to school, if it is shatter-proof (i.e., not glass) and has a threaded, non-spill cap. Nothing other than water is to be brought in the container. Chewing gum is not permitted during the academic day.

Prohibited Student Conduct

Enrollment at Our Lady Queen of Peace Catholic School is a pledge that all students and parents will partner with the faculty and administration to forge a culture that results in all members being consistently treated with dignity and respect as made in the image and likeness of God. For that reason, obscenities, harassment, bullying, intimidation, and other behaviors that are not consistent with living as a disciple of Jesus Christ, will be called out for correction. Parents are expected to support school personnel in addressing these issues and any behavior not consistent with extending the love of Christ to all members of our community.

Students may be disciplined for gross disobedience or misconduct, including but not limited to the following:

1. Using, possessing, distributing, purchasing, selling, or offering tobacco or nicotine materials, including electronic cigarettes, e-cigarettes, vapes, vape pens or other vaping related products.

2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug, controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
 - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - f. "Look-alike" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance or other substance that is prohibited by this policy.
 - g. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.
 - h. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in a tablet or powdered form.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they have the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a "weapon" or violating the procedures listed below under the Firearms and Other Weapons Prohibition section of this Handbook.
5. Using or possessing an electronic paging device.
6. Using a cellular telephone, smartphone, video recording device, personal digital assistant (PDA), or similar electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating and sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself

or another person through the use of a computer, electronic communication device or cellular telephone, commonly known as “sexting.” Unless otherwise banned under this policy or by the building principal, all cellular phones, smartphones, and other electronic devices must be kept powered-off and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission or (b) it is needed in an emergency that threatens the safety of students, staff, or other individuals.

Ipads, smart watches, toys, etc...- Students are not allowed to have Ipads and toys out on the playground or in the building during the school day. The general rule is, if a student will be attending the After School Program, these items are allowed during the program. Students bringing these items to school because they will be attending the After School Program, should keep the items in their book bags during the school day. They can use them only at the Program after school. If these items are found during the school day, they will be sent to the principal to be returned upon a parent/guardian visit with the principal. If these items are lost or missing, Our Lady Queen of Peace School is NOT responsible. These items are brought to school knowing that if they are broken or lost/missing that it is not the responsibility of Our Lady Queen of Peace to find or replace them.

7. Using or possessing a laser pointer unless under a staff member’s direct supervision and in the context of instruction.
8. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a staff member’s request to stop, present school identification or submit to a search.
9. Engaging in academic dishonesty, including cheating, plagiarizing, giving or receiving unauthorized help during an academic examination, altering report cards and wrongfully obtaining test copies or scores.
10. Engaging in bullying, hazing or any kind of aggressive behavior that does physical or psychological harm to a staff person or another student or encouraging other students to engage in such behavior. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, yelling, screaming, profanity, coercion, threats, intimidation, stalking, harassment, sexual harassment, public humiliation, defamation, slander, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network or other comparable conduct.

may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

20. Making an explicit threat on a website against a school employee, a student, or any school-related personnel if the website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the information could be reasonably interpreted as threatening the safety and security of the individual named because of his or her duties or employment status or status as a student inside the school.
21. Operating an unarmed aircraft system (AUS) or drone for any purpose on school grounds or at any school event unless granted permission by the building principal.

For purposes of these rules, the term “possession” includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student’s person; (b) contained in another item belonging to, or under the control of, the student, such as in the student’s clothing, backpack, or automobile; (c) in a school’s student locker, desk, or other school property; (d) at any location on school property or at a school-sponsored event; or (e) in the case of drugs and alcohol, substances ingested by the person.

Efforts, including the use of positive interventions and supports shall be made to deter students, while at school or at a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student’s parent or guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

When and Where Conduct Rules Apply

The grounds for disciplinary action also apply whenever the student’s conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;

4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property; or
5. During periods of remote learning.

Disciplinary Measures

Our Lady Queen of Peace Catholic School seeks the integral formation of the whole student. This formation program involves motivating the will to pursue the good and requires, at times, the proper correction of that will when it goes astray. Our Lady Queen of Peace Catholic School has established disciplinary norms and a code of conduct that aim to help students form themselves as well as assist the school in creating a safe, orderly, and positive atmosphere. As part of this process of formation, students are taught that poor choices result in consequences and that they must accept responsibility for their own behavior. Depending on the seriousness of the infraction, a range of disciplinary measures may be applied. Potential disciplinary measures include, without limitation, any of the following measures:

1. Notifying parents or guardians.

2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal of the student from the classroom.
5. Return of property or restitution for lost, stolen or damaged property.
6. In-school suspension.
7. After-school study or detention, provided the student's parent or guardian has been notified.
8. Community service.
9. Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules.
10. Suspension of bus riding privileges (if applicable).
11. Suspension from school and all school activities. A suspended student is prohibited from being on school grounds.
12. Expulsion from school and all school activities. An expelled student is prohibited from being on school grounds.
13. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the school and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and properly address the disruption is a suspension or expulsion.

Detention

Detention may be issued for a breach of classroom and/or school rules. Parents are provided with a Detention form with written notification of the detention. This form is sent home with the child on the day he/she receives a detention. The parent/guardian signs the detention and returns it to school the next day. It is on that day, the day the detention slip is returned, that the child serves the detention. **Detention takes precedence over appointments, practices, lessons, tutoring, ball games, etc...**

Although in the early grades, modification of the following procedure does occur, to maintain consistency, all the grade levels use the following as a guide for consequences of inappropriate behavior:

- 1) First offense- After verbal warnings have already been given, a student's name is put down. In the lower grades, this may mean a card is moved, a clothes pin is moved, or some other method of showing the student has not only been verbally warned, but has continued the inappropriate behavior.
- 2) Second offense-After verbal warnings have been given, a check is put by the student's name. This means that the student will be serving a 15-minute detention the next day. A orange detention slip will be given to the student stating the inappropriate behavior, the day and date the detention is to be served. The slip is taken home and signed by the parent, then brought to school the next day.
- 3) Third offense-A second check is put by the student's name. The student will serve a 30-minute detention the next day. Same procedure as # 2 above.

4) Fourth offense on the same day-A third check is put by the student's name. The student will serve a 30-minute detention the next day. In addition, the student is sent to the office at the time of the third check. The student calls his/her parents and explains the inappropriate behaviors that he/she displayed throughout the day. If this happens before 12:00, the student will serve an in-school suspension for the rest of that day. If it happens after 12:00, the student will serve the in-school suspension for the rest of the day and until 12:00 the next day.

Students who receive five detentions in any one month will receive a one day in-school suspension.

Students who receive three in-school suspensions in the course of a year, will receive a three day out-of-school suspension.

Any student who exceeds three in-school suspensions in a year will be called for a conference, along with his/her parents, the pastor, the principal, and teachers to discuss whether Our Lady Queen of Peace is the best place for him/her.

Suspension

A student in the Catholic school shall not be suspended by the principal until there has been a conference with the parent(s) or legal guardian. The period of suspension may not exceed five (5) school days. The date of the suspension and a summation of the parent conference shall be kept on file.

Expulsion

The expulsion of a student from a catechetical program is so serious that it should be invoked rarely and then only as a last resort. The catechetical administrator shall use reasonable means to discover the cause of the problem and should exhaust all appropriate remedies such as conference with parents or referral to a guidance clinic, physician, or the pastor, parochial administrator, or priest moderator. Situations meriting expulsion are published in the Handbook above (please see Conduct section). Serious violations which may result in expulsion include, but are not limited to, the following:

1. A student engages in delinquency or immorality, which would merit criminal punishment or constitute a menace or danger to other persons.
2. A student engages in such chronic or incorrigible behavior, as defined in the Conduct and Discipline policy, which undermines classroom discipline and impedes the progress of the entire class.

When all other means have failed and expulsion is being considered, the following procedures are to be observed:

1. The student is to be suspended for a period not to exceed one week.
2. The parents of the student are to be granted a conference with the pastor and principal in the hope that a solution to the problem will be found which will forestall the necessity of expulsion.
3. The pastor, in consultation with the principal, is to make the final decision and to communicate this decision to the parents. If expulsion is necessary, he will also help them make arrangements for the further education of their child.
4. If the pastor decides to expel the student from school, charity would suggest that some help be given to the family in finding another Catholic school, if possible, that would accept the student on a probationary basis.
5. If expulsion is necessary, the date of withdrawal and the word "misconduct" are sufficient for the permanent records. (At the discretion of the school, if the reason for expulsion is for possession of a weapon as defined in the Gun Free Schools Act, related to the possession or distribution of a controlled

substance, or battery of a staff member or a fellow student, said reason(s) can be specifically indicated on a transfer record).

SEVERE INFRACTIONS

There may be a case now and then in which mitigating circumstances call for a different response than has been the norm in the past. In these situations, the normal 'ladder' of discipline may not be followed. The principal is the final recourse in all disciplinary situations, and may find it necessary to give immediate detentions, suspensions, or expulsions depending on the circumstance. When these types of situations occur, the administrator has the right to use his/her discretion regarding the consequences.

Some examples of situations where the normal course of discipline may be waived for more severe consequences are:

Children are in or place others in physical or psychological danger including, but not limited to, situations involving weapons, fighting, vandalizing, throwing objects, drug use, alcohol use, leaving grounds without permission, careless behavior with sharp objects.

Children threaten others.

Children are abusive in tone or gesture including, but not limited to, profanity, name-calling, disrespect for school or classroom rules, disrespect in act, tone, gesture, harassment, bullying in any form.

Children are out of control including, but not limited to, turning desks over in anger, throwing objects, fighting, unwillingness to work with a teacher or adult, repeated violations of classroom rules.

Bullying, Intimidation, and Harassment

Because Our Lady Queen of Peace Catholic School is committed to maintaining a culture characterized by charity, civility, and respect for the human person, all forms of bullying—including cyberbullying—will be addressed swiftly. Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important school goals. Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, physical appearance, socioeconomic status, academic status, order of protection status, status of being homeless, actual or potential marital or parental status, pregnancy, parenting status, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not

owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.

Bullying includes cyberbullying and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage, blog, or vlog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates or is intended to create any of the effects enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates or is intended to create any of the effects enumerated in the definition of bullying. This includes creating or sharing a "digital replica" (AI-generated, fake likeness) of a student without permission.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Students are encouraged to immediately report bullying. A report may be made orally or in writing to the building principal or any staff member with whom the student is comfortable speaking. All school staff members are available for help with a bully or to make a report about bullying. Anyone, including staff members and parents or guardians, who has information about actual or threatened bullying is encouraged to report it to the school office or any staff member. Anonymous reports are also accepted by phone call or in writing.

Reprisal or retaliation against any person who reports an act of bullying is prohibited. A student's act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions. A student will not be punished for reporting bullying or supplying information, even if the school's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

Consistent with federal and State laws and rules governing student privacy rights, the school shall make diligent efforts to notify a parent or guardian utilizing all contact information the school has available or that

can be reasonably obtained by the school, within 24-hours after the school's administration is made aware of a student's involvement in an alleged bullying incident. The term "bullying incident" includes individual instances of bullying, as well as all threats, suggestions, or instances of self-harm determined to be a result of bullying. Notification to a parent or guardian shall include, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.

Conflict Resolution

The faculty and administration teach and support peaceful and non-violent conflict resolution. Students are not to utilize violent, threatening, or bullying behaviors to resolve conflicts. If a conflict arises, the faculty and administration will handle the situation as appropriate, utilizing the necessary conflict resolution skills. Parent or guardian contact will be made as necessary.

Corporal Punishment

Corporal punishment is illegal and will not be used. Corporal punishment means a discipline method in which a person deliberately inflicts pain upon a student in response to the student's unacceptable behavior or inappropriate language, with an aim to halt the offense, prevent its recurrence, or set an example for others.

Firearms and Other Weapons Prohibition

A student who is determined to have brought one of the following objects to school, to any school-sponsored activity or event, or to any activity or event that bears a reasonable relationship to school, shall be expelled for a period of not less than one year:

(1) A firearm, meaning any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 2012. The expulsion period may be modified by the school administration or pastor on a case-by-case basis.

(2) A knife, brass knuckles, or other knuckle weapon regardless of its composition, a "billy" club, or any other object if used or attempted to be used to cause bodily harm, including "look-alikes" of any firearm as defined above.

The expulsion requirement may be modified by the school administration or pastor on a case-by-case basis.

Firearms, Drugs, Battery, and Student Information Reporting System

Our Lady Queen of Peace Catholic School will report any qualifying incident to the appropriate authorities within a timely manner. The principal shall immediately notify local law enforcement officials of written complaints from school personnel concerning instances of battery committed against school personnel, and schools shall also report all of these incidents to the State Board of Education through existing school incident reporting systems in IWAS as they occur during the year by no later than August 1 for the preceding school year.

The principal shall immediately notify a local law enforcement agency of firearm incidents on school grounds. If a student is in possession of a firearm, then the school administrator shall also immediately notify the student's parent or guardian. The principal shall immediately notify a local law enforcement agency of verified incidents involving drugs occurring on school grounds. Both types of incidents will also be reported to the Illinois State Police through the School Incident Reporting System (SIRS).

Grievance Procedure

Complaints from students, parents, and other legitimate sources about the operation of the school, including complaints of discrimination and harassment, will be treated courteously (anonymous complaints will not be addressed). In order to help a parent or student resolve a grievance with a teacher, administrator, or the school in general, and to do so in an effective, efficient manner with mutual consultation, it has been established that the following order of people are those to whom the grievance should be brought: 1. The teacher involved; 2. The school principal; 3. The pastor. In fairness to both parties, the principal and/or pastor will meet with all parties involved, document the grievance or complaint, document the answer to the grievance or complaint, document the agreement reached or not reached, and read the report to both parties. If the grievance is not satisfactorily resolved at one level, either party may appeal to the next level, as listed above. The pastor's decision will be binding and final on all concerned.

Harassment and Teen Dating Violence Prohibited

Harassment Prohibited

No person, including a school employee or agent, or student, shall harass, intimidate, or bully a student on the basis of actual or perceived: race; color; national origin; military status; unfavorable discharge status from military service; sex; sexual orientation; gender identity; gender-related identity or expression; ancestry; age; religion; physical or mental disability; order of protection status; status of being homeless; actual or potential marital or parental status, including pregnancy; physical appearance; socioeconomic status; academic status; association with a person or group with one or more of the aforementioned actual or perceived characteristics; or any other distinguishing characteristic. The school will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, sexual, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Sexual Harassment Prohibited

The school shall provide an educational environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.

Teen Dating Violence Prohibited

Engaging in teen dating violence that takes place at school, on school property, at school-sponsored activities, or in vehicles used for school-provided transportation is prohibited. For purposes of this policy, the term *teen dating violence* occurs whenever a student who is 13 to 19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.

Making a Report or Complaint

Students are encouraged to promptly report claims or incidents of bullying, intimidation, harassment, sexual harassment, or any other prohibited conduct to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the student is comfortable speaking. A student may choose to report to an employee of the student's same gender.

Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to discipline.

Investigation Process

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the school's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

Enforcement

Any school employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any school student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion, consistent with the student discipline information in this handbook.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the school in the context of the relationship of the third party to the school, e.g., vendor, parent/guardian, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited.

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Isolated Time Out, Time Out, and Physical Restraint

Isolated time out, time out, and physical restraint shall only be used if the student's behavior presents an imminent danger of serious physical harm to the student or others and other less restrictive and intrusive measures were tried and proven ineffective in stopping it. The school may not use isolated time out, time out, and physical restraint as discipline or punishment, convenience for staff, retaliation, a substitute for appropriate educational or behavioral support, a routine safety matter, or to prevent property damage in the absence of imminent danger of serious physical harm to the student or others. The use of prone restraint is prohibited.

Lunch and Cafeteria Rules

Students will remain seated at their table and use inside voices. Food should never be shared or thrown. A student's area should be cleaned up before they are dismissed to line up for recess. Students should always walk, not run in the building. Noise needs to be kept at a reasonable level, and students should keep their hands to themselves.

Search and Seizure

In order to maintain order, safety, and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there. The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Student Searches

School authorities may search a student and/or the student's personal effects in the student's possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school's student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

School officials may require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates the school's disciplinary rules or school district policy. In the course of the investigation, the student may be required to share the content that is reported in order for the school to make a factual determination. School officials may not request or require a student or his or her parent or guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the school's policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

Questioning of Students Suspected of Committing Criminal Activity

When students become involved with law enforcement officers, the officer shall be requested to confer with the student when he or she is not under the jurisdiction of the parish or school if this can be arranged. Before a law enforcement officer, school resource officer, or other school security person detains and questions on school grounds a student under 18 years of age who is suspected of committing a criminal act, the building principal or designee will: (a) notify or attempt to notify the student's parent or guardian and document the time and manner in writing; (b) make reasonable efforts to ensure the student's parent or guardian is present during questioning or, if they are not present, ensure that a school employee (including, but not limited to, a social worker, psychologist, nurse, guidance counselor, or any other mental health professional) is present during the questioning; and (c) if practicable, make reasonable efforts to ensure that a law enforcement officer trained in promoting safe interactions and communications with youth is present during the questioning.

Student Appearance

The dress code for Our Lady Queen of Peace Catholic School contributes in a very important way to the overall sense of unity as a school community. The dress code enhances the learning atmosphere, adds a sense of pride, and reduces negative competition among students. Our students are expected to wear their uniform in a way that portrays a positive and modest self-image, conveys personal neatness and cleanliness, and demonstrates an attitude of excellence in performance and achievement. A student's appearance, including dress and hygiene, must not disrupt the educational process or compromise standards of health and safety. The school does not prohibit hairstyles historically associated with race, ethnicity, or hair texture, including,

but not limited to, protective hairstyles such as braids, locks, and twists. Modesty in attire is expected for students, and all staff, faculty, and volunteers, supporting any event on Our Lady Queen of Peace Catholic School property or a school-sponsored activity off campus. Students who disrupt the educational process or compromise standards of health and safety must modify their appearance.

The appropriate administrator will make a written report of his or her decision and rationale. The student may appeal the decision to the Principal or Principal's designee. All students remain subject to all the school's policies and the school's Student and Parent Handbook.

Modification of Athletic or Team Uniform

Students may modify their athletic or team uniform for the purpose of modesty in clothing or attire that is in accordance with the requirements of the student's religion or the student's cultural values or modesty preferences.

All school clubs must be officially recognized and approved by the principal in order to meet in the school building and to enjoy the privilege of using school facilities. Recognition requires a faculty advisor or school-appointed leader and a list of membership with the administration.

School Dances

Attendance at school-sponsored dances/mystery nights is a privilege. Only students who attend the school may attend school-sponsored dances/mystery nights.

All school rules, including the school's discipline code and dress code are in effect during school-sponsored dances/mystery nights. HEALTH & SAFETY

Anaphylaxis Prevention

While it is not possible for the school to completely eliminate the risks of an anaphylactic emergency, the school maintains comprehensive policies and procedures on anaphylaxis prevention, response, and management in order to reduce these risks and to provide accommodations and proper treatment for anaphylactic reactions. Parent(s) and guardian(s) and students who desire more information or who want a copy of the school's policy may contact the Building Principal.

Parents of students with known life-threatening allergies and/or anaphylaxis should provide the school with written instructions from the student's health care provider for handling anaphylaxis and all necessary medications for implementing the student-specific order on an annual basis. This may be provided as an Individual Health Care Plan, an Emergency Action Plan, or as part of a student's Accommodation Plan. Students who have a known allergy may carry an auto-injector prescribed for them with appropriate notification to the school. In accordance with 105 ILCS 5/2-3.182, Our Lady Queen of Peace Catholic School will follow individual emergency plans, ensure staff members receive appropriate training, and provide annual notice to parents or guardians of all students to make them aware of this policy.

Communicable Diseases

The school will observe recommendations of the Illinois Department of Public Health regarding communicable diseases.

1. Parents are required to notify the school if they suspect or have knowledge that their child has a communicable disease.
2. In certain cases, students with a communicable disease may be excluded from school or sent home from school following notification of the parent or guardian. The principal shall follow local procedures for notifying the Department of Public Health when this occurs.
3. The school will provide written instructions to the parents and guardian regarding appropriate treatment for the communicable disease.
4. A student excluded because of a communicable disease will be permitted to return to school only when the parent or guardian brings to the school a letter from the student's doctor stating that the student is no longer contagious or at risk of spreading the communicable disease.

Counseling and Guidance

The school provides a list of counselors to parents as needed. Students' needs for support services such as counseling and social work are evaluated when any school staff believes consideration is warranted, such as when there are changes in the student body or stresses within the surrounding community.

Diabetes Care for Students

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the building principal. Parents or guardians are responsible for and must:

- a. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.

2. Infested students will be sent home following notification of the parent or guardian.

3. The school will provide written instructions to parent or guardian regarding appropriate treatment for the infestation.
4. A student excluded because of head lice will be permitted to return to school only when the parent or guardian brings the student to school to be checked by the school office staff or building principal and the child is determined to be free of the head lice and eggs (nits). Infested children are prohibited from riding the bus to school to be checked for head lice.

Illness or Injury

If your child has a temperature of 100.4 or higher, vomiting, diarrhea, or an unexplained rash they may not come to school until they have been symptom free for 24 hours without the use of medication. All illnesses or injuries should be reported to the principal or office staff immediately.

Immunization and Health, Eye, and Dental Examinations

Required Health Examinations and Immunizations

All students are required to present appropriate proof of a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school for the first time, regardless of the student's grade.

Proof of immunization against meningococcal disease is required for students in grades 6 and 12. A diabetes screening must be included as part of the health exam (though diabetes testing is not required). Students between the age of one and seven must provide a statement from a physician assuring that the student was "risk-assessed" or screened for lead poisoning. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination.

Failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. A student will not be excluded from school due to his or her parent or guardian's failure to obtain a developmental screening or a social and emotional screening.

New students who register mid-term have 30 days following registration to comply with the health examination and immunization requirements. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

Eye Examination

All students entering kindergarten or the school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year. Failure to present proof by October 15, empowers the school to hold the student's report card until the student presents: (1) proof of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15.

Dental Examination

All students entering kindergarten, second, and sixth and grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. Failure to present proof empowers the school to hold the child's report card until the student presents: (1) proof of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15.

Exemptions

A student will be exempted from the above requirements for:

- Medical grounds if the student's parent or guardian presents to the building principal a signed statement explaining the objection;
- Religious grounds if the student's parent or guardian presents to the building principal a completed Certificate of Religious Exemption;
- Health examination or immunization requirements on medical grounds if a physician provides written verification;
- Eye examination requirement if the student's parent or guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
- Dental examination requirement if the student's parent or guardian shows an undue burden or a lack of access to a dentist.

Insurance

It is required that schools offer a student accident insurance plan. The school shall make certain that parent(s) or legal guardian(s) of every student in the school declare(s) in writing that they either do or do not want their child or children to be covered by the student accident insurance. If a student does not take the student accident insurance, the school must require a signed waiver releasing the school and staff of any liability. These signed waivers must be kept on file for all who do not participate in the student accident insurance plan. If a parent does not take the student accident insurance, the parent must show proof of other health insurance coverage. Students without proof of insurance coverage shall not be allowed to attend school.

Medication for Students

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent or guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent or guardian must request that the school dispense the medication to the child by completing a "School Medication Authorization Form." (pg. 61)

No school employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's parent or guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector (e.g., EpiPen®) and/or an asthma inhaler or medication prescribed for use at the student's discretion, provided the student's parent or guardian has completed and signed a School Medication Authorization Form. **Students with asthma should provide the school with a copy of an Asthma Action Plan that has been completed by their physician.**

Students who are diabetic may possess and self-administer diabetic testing supplies and insulin if authorized by the student's diabetes care plan, which must be on file with the school.

Students with epilepsy may possess and self-administer supplies, equipment, and medication, if authorized by the student's seizure action plan, which must be on file with the school.

Students may self-administer (but not possess on their person) other medications required under a qualified plan, provided the student's parent or guardian has completed and signed a School Medication Authorization Form.

The school district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from administration of medication or a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent or guardian must indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

Non-Prescription Medication

A doctor's authorization is required for us to give a student a non-prescription medication during the school day. If a doctor's authorization is not on file, a parent will be contacted to come up and administer medication during the school day.

Emergency Aid to Students

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

Pregnancy

Our Lady Queen of Peace Catholic School affirms the moral teaching of the Catholic Church, including the teaching of the holiness and sacredness of life. To be true to its Gospel task, Our Lady Queen of Peace Catholic School equally asserts the values of forgiveness and compassion. Believing that the truly Christian response to a boy or girl facing adult situations and decisions is focused on the person, the administration will work with each student and family involved in pregnancy in a sensitive and Christian manner (on an individual basis). A conference will be held with the student, his/her parents/guardian, the Pastor, and the Principal to determine those arrangements for the student's completion of his/her education, health, and well-being.

Safety Drill Procedures and Conduct

Safety drills will occur at times established by the school administration. Students are required to be silent and shall comply with the directives of school officials during emergency drills. There will be a minimum of three (3) evacuation drills, a minimum of one (1) severe weather (shelter-in-place) drill, a minimum of one (1) law enforcement lockdown drill to address an active threat or an active school shooting incident, and a minimum of

one (1) bus evacuation drill (if applicable) each school year. There may be other drills at the direction of the administration. The law enforcement lockdown drill will be announced in advance and a student's parent or guardian may elect to exclude their child from participating in this drill. All other drills will not be preceded by a warning to students.

Toxic Art Supplies and Required Eye Protection

Toxic art supplies are not used in grades K-6. Art supplies containing toxic substances are not used in grades 7 through 12 unless the materials are properly labeled according to statute. Students, teachers, and visitors are required to wear industrial quality eye care protective devices when participating in or observing chemical or combined chemical-physical laboratories involving caustic or explosive chemicals or hot liquids or solids, or vocational or industrial arts shops or laboratories involving hot molten metals; milling, sawing, turning, shaping, cutting, grinding, or stamping of any solid metals; heat treatment, tempering, or kiln firing of any metal or other materials; gas or electric arc welding; repair or service of any vehicle; caustic or explosive materials.

Wellness Policy

However, some specific examples are provided. **The failure of any user to follow these procedures will result in the loss of privileges, disciplinary action, and/or legal action.**

Terms and Conditions

The term *electronic networks* includes all the school's technology resources, including, but not limited to:

1. The school's local-area and wide-area networks, including wireless networks (Wi-Fi), school-provided Wi-Fi hotspots, and any school servers or other networking infrastructure;

Privileges - Use of the school's electronic networks is a privilege, not a right, and inappropriate use may result in a cancellation of those privileges, disciplinary action, and/or appropriate legal action. The system administrator or Building Principal will make all decisions regarding whether or not a user has violated these procedures and may deny, revoke, or suspend access at any time. His or her decision is final.

Unacceptable Use - The user is responsible for his or her actions and activities involving the electronic networks. Some examples of unacceptable uses are:

- a. Using the electronic networks for any illegal activity, including violation of copyright or other intellectual property rights or contracts, or transmitting any material in violation of any State or federal law;

Do not demonstrate the problem to other users. Keep user account(s) and password(s) confidential. Do not use another individual's account without written permission from that individual. Attempts to log-on to the network as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the networks.

Vandalism - Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the internet, or any other network. This includes, but is not limited to, the uploading or creation of malware, such as viruses and spyware.

Telephone Charges - The school assumes no responsibility for any unauthorized charges or fees, including telephone charges, texting or data use charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Copyright Web Publishing Rules - Copyright law and school policy prohibit the re-publishing of text or graphics found on the internet or on school websites or file servers or cloud storage without explicit written permission.

- a. For each re-publication (on a website or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the web address of the original source.
- b. Students engaged in producing web pages must provide library media specialists with email or hard copy permissions before the web pages are published. Printed evidence of the status of *public domain* documents must be provided.
- c. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide permission. The manager of the website displaying the material may not be considered a source of permission.
- d. The *fair use* rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.
- e. Student work may only be published if there is written permission from both the parent or guardian and student.

Use of Email - The school's email system, and its constituent software, hardware, and data files, are owned and controlled by the school. The school provides email to aid students in fulfilling their duties and responsibilities, and as an education tool.

- a. The school reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.

- b. Each person should use the same degree of care in drafting an email message as would be put into a written memorandum or document. Nothing should be transmitted in an email message that would be inappropriate in a letter or memorandum.
- c. Electronic messages transmitted via the school's internet gateway carry with them an identification of the user's internet *domain*. This domain is a registered name and identifies the author as being with the school. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the school. Users will be held personally responsible for the content of any and all email messages transmitted to external recipients.
- d. Any message received from an unknown sender via the internet, such as spam or potential phishing emails, should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
- e. Use of the school's email system constitutes consent to these regulations.

Internet Safety

Internet access is limited to only those *acceptable uses* as detailed in these procedures. Internet safety is supported if users will not engage in *unacceptable uses*, as detailed in these procedures, and otherwise follow these procedures. Staff members will supervise students while students are using school internet access to ensure that the students abide by the *Terms and Conditions* for internet access contained in these procedures.

Each school computer with internet access has a filtering device that blocks entry to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children's Internet Protection Act and as determined by the principal or designee.

The system administrator and Building Principal shall monitor student internet access. *Please keep in mind that it is impossible for school staff to maintain ubiquity in monitoring a student's use of electronics, including the content a student may access.* As digital citizens, students are responsible for their own actions at all times. The school responds to incidents as we become aware of them; however, we cannot offer perfect and complete supervision in this area, despite our consistent and conscientious vigilance.

Parents should speak with their son or daughter about appropriate conduct regarding the use of electronics and instruct him or her to inform a staff member if another student is using electronics inappropriately or sharing material that is impure, inappropriate, or makes the student or others uncomfortable. Parents are solely responsible for monitoring their student's activity on social media platforms and should therefore maintain constant vigilance in reviewing what their child is posting online to avoid violation of school policies and/or state and federal laws, along with the possible disciplinary and legal consequences.

Access to Student Social Networking Passwords and Websites

School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. The school may not request or require a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website. However, in the course of an investigation, the student may be required to share the content that is reported to allow school officials to make a factual determination in the investigation.

Student Photographs and Names

Student photographs and names will be used by the school in the paper, on the internet, or where appropriate unless a written objection is received from the parent or legal guardian.

Student Use of Cell Phones and Other Electronic Devices

The use of electronic devices and other technology at school is a privilege, not a right. Students are prohibited from using electronic devices, except as provided herein. An electronic device includes, but is not limited to, the following: cell phone, smart phone, audio or video recording device, personal digital assistant (PDA), iPod®, iPad®, laptop computer, tablet computer or other similar electronic device. Pocket pagers and other paging devices are not allowed on school property at any time, except with the express permission of the building principal.

During instructional time, which includes class periods and passing periods, electronic devices must be kept powered-off and out-of-sight unless: (a) permission is granted by an administrator, teacher or school staff member; (b) use of the device is provided in a student's accommodation plan; or (c) it is needed in an emergency that threatens the safety of students, staff, or other individuals.

Electronic devices may never be used in any manner that disrupts the educational environment, violates student conduct rules, or violates the rights of others. This includes, but is not limited to, the following: (1) using the device to take photographs in locker rooms or bathrooms; (2) cheating; and (3) creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction or non-consensual dissemination of private sexual images (i.e., sexting).

The school is not responsible for the loss, theft or damage to any electronic device brought to school.

Students in violation of this policy are subject to the following consequences:

1. First Offense – The device will be confiscated by school personnel. A verbal warning will be assigned. The student will receive the device back at the end of the day in the school office.
2. Second Offense – The device will be confiscated. A detention will be assigned. The student's parent or guardian will be notified and required to pick up the device in the school office.

Additionally, the student will be prohibited from bringing the device to school for the next 10 school days. If the student is found in possession of the device during this 10-day period, the student will be prohibited from bringing the device to school for the remainder of the school year. The student will also face consequences for insubordination.
4. Fourth and Subsequent Offense – The device will be confiscated. The student will be assigned a detention and will be prohibited from bringing the device to school for the remainder of the school year. The student's parent or guardian will be notified and required to pick up the device in the school office. The student will also face consequences for insubordination.

Technology Vendors: Annual Notice to Parents about Educational Technology Vendors Under the Student Online Personal Protection Act

Schools throughout the State of Illinois contract with different educational technology vendors for beneficial K-12 purposes such as providing personalized learning and innovative educational technologies and increasing efficiency in school operations. Under Illinois' Student Online Personal Protection Act, or SOPPA (105 ILCS 85/), educational technology vendors and other entities that operate internet websites, online services, online

applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes are referred to in SOPPA as *operators*. SOPPA is intended to ensure that student data collected by operators is protected, and it requires those vendors, as well as schools and the Illinois State Board of Education, to take a number of actions to protect online student data.

Depending upon the particular educational technology being used, our school may need to collect different types of student data, which is then shared with educational technology vendors through their online sites, services, and/or applications. Under SOPPA, educational technology vendors are prohibited from selling or renting a student's information or from engaging in targeted advertising using a student's information. Such vendors may only disclose student data for K-12 school purposes and other limited purposes permitted under the law.

In general terms, the types of student data that may be collected and shared include personally identifiable information (PII) about students or information that can be linked to PII about students, such as:

- Basic identifying information, including student or parent or guardian name and student or parent or guardian contact information, username/password, student ID number
- Demographic information
- Enrollment information
- Assessment data, grades, and transcripts
- Attendance and class schedule
- Academic or extracurricular activities
- Special indicators (e.g., disability information, English language learner, free or reduced meals, or homeless or foster care status)
- Conduct and behavioral data
- Health information
- Food purchases
- Transportation information
- In-application performance data
- Student-generated work
- Online communications
- Application metadata and application use statistics
- Permanent and temporary school student record information

Operators may collect and use student data only for K-12 purposes, which are purposes that aid in the administration of school activities, such as:

- Instruction in the classroom or at home (including remote learning)
- Administrative activities
- Collaboration between students, school personnel, and/or parents or guardians
- Other activities that are for the use and benefit of the school

Unauthorized Use of Artificial Intelligence

"Artificial intelligence" or "AI" is intelligence demonstrated by computers, as opposed to human intelligence. "Intelligence" encompasses the ability to learn, reason, generalize, and infer meaning. Examples of AI technology include ChatGPT and other chatbots and large language models.

AI is not a substitute for schoolwork that requires original thought. Students may not claim AI generated content as their own work. The use of AI to take tests, complete assignments, create multimedia projects, write papers, or complete schoolwork without permission of a teacher or administrator is strictly prohibited. The use of AI for these purposes constitutes cheating or plagiarism. In certain situations, AI may be used as a learning tool or a study aid. Students who wish to use AI for legitimate educational purposes must have permission from a teacher or an administrator to do so. Students may not use AI, including AI image or voice generator technology, to violate school rules or policies. To ensure academic integrity, tests, assignments, projects, papers, and other schoolwork may be checked by AI content detectors and/or plagiarism recognition software.

PARENT COMMUNICATIONS & INFORMATION

Change of Address and Communication Records for the School

It is imperative that school records have the correct name, mailing and street address, and telephone numbers of parents. Please notify the school immediately of any such changes. The school must also have on file court papers of divorce decrees, custody decrees, and restraining orders to use as guidelines for communications between the school and the home. The principal should be notified when parents are divorcing or separating. Office forms can then be changed with new addresses and phone numbers for both parents. This may also enable the faculty and staff to better meet the students' needs at this transitional time.

Communications

Open communication between home and school is essential for a child's school success. Classroom teachers communicate through classroom newsletters, emails, and phone calls to parents. Administration and faculty will also contact you with questions and concerns. Please feel free to call upon your child's teachers using emails or phone calls whenever you have any question or concern. Whenever a problem concerning your child arises, the first person to be contacted is the classroom teacher. If you need to speak with a teacher, please call ahead for an appointment so that you will know when the teacher will be available. Teachers are preparing for their day in the morning and often have meetings and scheduled appointments after school, so they cannot always be available on a "walk in" basis. After meeting with the teacher, if the difficulty persists or cannot be handled at this level, it should be presented to the principal. If the problem is still not resolved, contact the pastor. The school will strive to obtain information from all perspectives of disciplinary situations before determinations are made. In instances where conflicting versions of information arise, the adult's version will be taken as normative.

The administration will also keep parents informed of school news through a weekly newsletter that is emailed and in the Church bulletin during the school year. The newsletter and other flyers with pertinent information will be emailed to parents. Additionally, the school newsletter is available on the school website, www.olqpbethalto.org, and the Church bulletin is available on the parish website, www.olqpbethalto.com/parish.

At Our Lady Queen of Peace Catholic School, the norms for communications are based on decorum and the Golden Rule. This is the frame for the messages we send out to our school families. We therefore aim to be honest and direct but consistently respectful, professional, and constructive in our messages to parents and guardians. For this reason, we also insist that messages sent to faculty and staff are likewise courteous, kind,

and helpful. These norms are not only in keeping with our Christian character, but also are the basis for all effective communications since most problems do not get better through an adversarial approach.

Parent Organizations

The Parish School Association of Our Lady Queen of Peace Catholic School was established to develop and deepen a greater partnership between the administration and faculty of the school and all interested adults of the parish. The PSA works to support and enhance the educational ministry of the school through fundraising, parent education, and building community.

Parent Service Requirement

Parents of Our Lady Queen of Peace Catholic School PK/4 and K-8 grade students are required to complete 25 hours of service each year. Parents of part time preschool 3 year old students must complete 10 hours of service per year. Guidelines for Parent Service Hours are clearly stated in the Parent Service Hour guide located on olqpbethalto.org website.

Parent and Teacher Conferences

Parent Teacher Conferences are held in November each year. We ask that you make every effort to attend a conference with your students teacher(s).

Policy Making

The policies of the administration and educational mission of Our Lady Queen of Peace Catholic School are enacted and thereby formalized by the Pastor. The School Advisory Board is advised of the formation of such policies by the Principal, the Pastor, or other members of the Board. The execution and implementation of the policies are the responsibility of the school Principal. All school policies are available to parents of the students enrolled and to the school staff, as well as to other individuals upon request.

Responsibilities of School, Parents, and Students

Our Lady Queen of Peace Catholic School commits itself to a number of responsibilities in the service of our families and students. We require that families and students likewise meet their responsibilities so that the vital process of teaching and learning can be conducted in a safe, healthy, and salutary environment for all.

School Responsibilities

When enrolling your child in a Catholic school, the school accepts certain important responsibilities, including the following:

1. To have children receive an academically sound education in a Catholic environment
2. To communicate with parents and to have requests for meetings answered in a timely manner
3. To have students supervised in a safe and appropriate manner
4. To nurture the spiritual growth of students through Catholic traditions and rituals
5. To develop the social and emotional growth of students through various activities and opportunities

Parent Responsibilities

When enrolling your child in a Catholic school, you agree to certain important responsibilities, including these:

1. To participate in the life of the school by being present for meetings, fundraising events, academic activities, athletic events, and special worship services whenever possible.
2. To be a partner with the school in the education of your child
3. To consistently treat all school personnel with respect and courtesy
4. To work with the school in the administration of student discipline

5. To understand and support the religious nature of the school
6. To read all communications (newsletters, daily and weekly folders, planners, etc.) from the school and request clarification, when necessary
7. To know who your child's teachers are and to observe mandatory parent-teacher conference dates and any special requests for meetings
8. To discuss concerns and problems with the person(s) most directly involved before appealing to higher authorities; contact with teachers should be during school hours and not at home on teachers' personal time. However, if a parent who intends to speak first with a teacher about an issue finds that he or she is rather upset or agitated when they are preparing to establish contact, they should seek the assistance of the school administration for making a first enquiry. It is important that all communications in these matters be respectful, charitable, and fair as parents check their understanding, bearing in mind that a child's account of an event may not be either fully complete or wholly accurate.
9. To be as actively involved as is feasible in the life of the school and to volunteer assistance when possible
10. To promote Our Lady Queen of Peace Catholic School and to speak well of it to others
11. To meet financial obligations in a timely manner
12. To support the fundraising efforts of the school when possible
13. To appreciate that Catholic education is a privilege that many persons do not have

Student Responsibilities

When enrolled in a Catholic school, students accept certain important responsibilities, including the following:

1. To abide by all school rules and guidelines
2. To keep the lines of communication open with one's parents, teachers, and other school personnel
3. To take responsibility for personal spiritual growth by participating in Christian traditions and rituals
4. To conduct oneself with dignity and to always show respect for all school personnel and students.

School Advisory Board

The Board of Education at Our Lady Queen of Peace serves the parish by promoting the faith development of its members and the educational mission of the Church through creative visioning for the future. The Board is to ADVISE and counsel the Pastor and Principal.

School Visitation Rights

The School Visitation Rights Act permits employed parents or guardians, who are unable to meet with educators because of a work conflict, the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences, academic meetings, and behavioral meetings. Letters verifying participation in this program are available from the school office upon request.

Employee Conduct Standards

Schools are required to include in their student handbook the school's Employee Code of Professional Conduct. These standards, in part, define appropriate conduct between school employees and students. Our Lady Queen of Peace Catholic School located in the Diocese of Springfield in Illinois will conduct business honestly and ethically at all times. We strive to improve the quality of our services provided to parishioners, students, and the greater community of the diocese and will maintain a reputation for honesty, fairness, respect, responsibility, integrity, trust, and sound moral and ethical judgment that reflect our faith and the teachings of the Catholic Church in conducting business. Our employees are expected to adhere to high standards of business and personal integrity as a representation of our parish and diocesan business practices, always consistent with their duty of loyalty to Our Lady Queen of Peace Catholic School and the Diocese of Springfield in Illinois.

Every employee of the Diocese and diocesan agencies shall act in an honest and forthright manner in all workplace concerns; treat co-workers, supervisors, volunteers, parishioners, students, and visitors with respect; and conduct themselves in a moral and ethical manner consistent with Catholic principles. Every employee, as a representative of the Catholic Church to the faithful and to the outside world, has a ministerial calling. For this reason, every position has a ministerial aspect. Personnel must, therefore, conduct themselves in a way that does not contradict the doctrine and moral teaching of the Catholic Church.

We expect that employees of Our Lady Queen of Peace Catholic School will not knowingly misrepresent Our Lady Queen of Peace Catholic School and will not speak on behalf of Our Lady Queen of Peace Catholic School unless specifically authorized to do so. The confidentiality of proprietary information, and similar confidential and sensitive information (i.e. financial records and reports, or business strategies and plans, development, member, or donor lists) about Our Lady Queen of Peace Catholic School or operations, or that of Our Lady Queen of Peace Catholic School or members or Our Lady Queen of Peace Catholic School, is to be treated with discretion and only disseminated on a need-to-know basis.

Violation of the Code of Professional Conduct can result in discipline, up to and including termination of employment. The degree of discipline imposed may be influenced by the existence of voluntary disclosure of any ethical violation and whether or not the violator cooperated in any subsequent investigation.

To better understand the Standards of Conduct, please refer to the Diocese of Springfield in Illinois §Policy 503: Standards of Conduct Book-II-503.Standards-of-Conduct.pdf (dio.org)

Sexual Misconduct

Our Lady Queen of Peace Catholic School employees the following Code of Ethics for Illinois Educators. This provides a foundation for responsibilities and commitments of educators within the State of Illinois. The following are the five core principles:

- Responsibility to Students
- Responsibility to Self
- Responsibility to Colleagues and the Profession
- Responsibility to Parents, Families and Communities
- Responsibility to the Illinois State Board of Education

The success of students in school relies heavily on safe learning environments and healthy relationships with school personnel. It is important for staff to maintain a professional relationship with students at all times and to define staff-student boundaries to protect students from sexual misconduct by staff and staff from the appearance of impropriety. As bystanders, educators may have knowledge of concerning behaviors that no one else is aware of, so they need to understand the definition of “sexual misconduct.”

Sexual misconduct means any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee or agent of the catholic school with direct contact with a student that is directed toward or with a student to establish a romantic or sexual relationship with the student. Such an act includes, but is not limited to, any of the following:

- A sexual or romantic invitation.
- Dating or soliciting a date.
- Engaging in sexualized or romantic dialog.
- Making sexually suggestive comments that are directed toward or with a student.
- Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
- A sexual, indecent, romantic, or erotic contact with the student.

“Grooming” as now defined in Section 11-25 of the Criminal Code is “when [a person] knowingly uses a computer on-line service, Internet service, local bulletin board service, or any other device capable of electronic data storage or transmission, performs an act in person or by conduct through a third party, or uses written communication to seduce, solicit, lure, or entice a child, a child’s guardian, or another person believed to be the person to be a child or a child’s guardian, to commit any sex offense as defined in Section 2 of the Sex Offender Registration Act, to distribute photographs depicting the sex organs of the child, or to otherwise engage in any unlawful sexual conduct with a child or with another person believed by the person to be a child. As used in the Section, ‘child’ means a person under 17 years of age.”

All employees at Our Lady Queen of Peace Catholic School must maintain professional relationships with students at all times and follow the expectations for staff-student boundaries. Employees must also follow the guidelines below:

- Employees are representatives of the Catholic school at all times and will maintain professional relationships with students at all times, recognizing the age and developmental level of the students served. This includes meeting with a student or contacting a student outside of the employee’s professional role.
- While the catholic school does not provide transportation on a regular basis, special circumstances (i.e. field trips) create the need for private transportation for students. While it is preferred to utilize volunteer adult chaperones to provide transportation for students, sometimes employees are also needed to provide this service. Employees are to follow the same guidelines as volunteer chaperones when transporting students, and it is recommended that an employee refrains from transporting a single student, and rather has a group of students, unless an emergency arises. In this case, the employee should notify the school office of the transportation needs before leaving.
- In addition, employees will take particular care in taking or possessing a photo or video of a student. Parents or guardians should first give permission for photos and videos to be taken employees of the Catholic school. Photos and videos of students should serve an educational purpose, and the employee should only maintain those photos and videos for as long as the education purpose requires. Once the purpose is met, the employee should no longer maintain the photos or videos.

All employees will receive required employee training that is related to child abuse and educator ethics that are applicable under State and federal law. Mandated reporters must notify DCFS **immediately** when a mandated reporter has reasonable cause to believe a child is abused or neglected child under the Abused and Neglected Child Reporting Act (325 ILCS 5/3), including reasonable cause to believe that a child was a victim of grooming as defined by 720 ILCS 5/-25.

The Catholic school will comply with all sexual misconduct allegation notification requirements under Section 22-85 of the School Code. A violation of the employee code of professional conduct may subject an employee to disciplinary action up to and including dismissal from employment. Failure of an employee to report a violation of the employee code of professional conduct policy by another employee may subject that employee to disciplinary action up to and including dismissal from employment. 105 ILCS 5/22-85.5(f).

In the report of sexual abuse involves Church Personnel as described in BK2§100 *Clerical Sexual Abuse of Minors: Policies for Education, Prevention, Assistance, and Determination of Fitness for Ministry*, the Principal-Minister and or Teacher-Minister shall also report the incident or suspicion to the Facilitator as described in BK2§107.2 *Reporting Requirements* of the above-mentioned policy.

Mandated Reporters

All school personnel, including teachers and administrators, are required by law to immediately report any and all suspected cases of child abuse or neglect to the Illinois Department of Children and Family Services.

Sexual Abuse Response and Prevention Resource Guide

The Illinois State Board of Education (ISBE) maintains a resource guide on sexual abuse response and prevention. The guide contains information on and the location of children's advocacy centers, organizations that provide medical evaluations and treatment to victims of child sexual abuse, organizations that provide mental health evaluations and services to victims and families of victims of child sexual abuse, and organizations that offer legal assistance to and provide advocacy on behalf of victims of child sexual abuse.
