Dear Parishioners,

Today we have heard about the decision to stop the senior living project called Divine Mercy. Next week we will hear about all the great work that Catholic Charities have been doing in many parts of our diocese and especially right here in the Alton Deanery. I am sure that we have all heard the expression that when God closes one door He will open a window for us. I think that this is an excellent example of that expression. Catholic Charities reaches out to help countless numbers of people including our senior population that is in need of help. I hope that we can see Catholic Charities as an opportunity to continue the call of Jesus to help those in need of our support.
