### Dear Parishioners,

This coming Friday is the feast day of one of our most beloved Popes. It is the feast day for Pope St John XXIII. When Cardinal Roncalli was elected Pope on October 28, 1958 he was 76 years old and was looked upon as a transitional Pope—a Pope that would be a “caretaker” and not do much. However, Pope John had other ideas about his Papacy. Four years into his Papacy he convened the Second Vatican Council. His vision was to modernize the Church and to bring forth much needed changes. The Church that we have today is a testimony to the spirit of Pope St. John. As we celebrate his feast day, let us ask for his special intercession upon our Church and our parish. Pope St. John pray for us.

*(What More Can We Do For Jesus)*

### Bishop Paprocki Wants Your Feedback!

The Diocese of Springfield in Illinois will be conducting a campaign planning study throughout October and November, and Bishop Paprocki would like to hear from you. The study will gather feedback on a potential diocesan-wide capital campaign to support the education of our seminarians. A high level of participation is needed to aid the bishop in making an informed decision about whether to move forward with a campaign. The Steier Group, a Catholic development fundraising firm, has been hired to conduct the study. A final recommendation on the viability of the campaign will be made in early December. The study will provide everyone with an opportunity to share their thoughts through a combination of personal interviews, mail/online surveys, and town halls to be held at locations throughout the diocese. There will be regular updates in our bulletin in the weeks to come with more details on how you can participate. Stay tuned!

## Ever Wonder Why .... ? (Part II)

**Why is it...** that when a woman is happy about her pregnancy, it's a "baby"? She is asked questions like, "when is your baby due?" When she goes to an abortion clinic, she is often told that "it" (the growing child) is only a blob of tissue or a product of conception? **Why is it...** so many people are uninformed about abortion and it receives so little coverage in the media, despite the fact that it is the number-one cause of death in the US every year. **Why is it...** that you can kill an unborn baby anytime you want to, for any reason under the sun, but if you destroy a turtle egg on a Florida beach, you go to jail? **Why is it...** if abortion is supposed to be available to give a woman a "choice", that illegal coercion is the number-one cause of abortion in America today? Also, the number-one cause of death among pregnant women is murder. **Why is it...** that many do not see the handwriting on the wall. .. that abortion is a catalyst to infanticide, euthanasia, assisted suicide, human cloning etc. only to name a few contemporary assaults on the sanctity of human life? **Why is it...** that the major Fortune 500 companies will proudly support Planned Parenthood, the largest provider of abortion, but pro-life companies are scared to death to openly support the unborn, for fear of retribution in the marketplace? **Why is it...** that in every election cycle, God-fearing citizens cast their vote for politicians who support abortion when we know that the greatest gift God gives us is life and the greatest attack on life is abortion?
